## 1 The smoker's helmet (WORDS)

*Professor Makebelieve is giving a presentation on the smoker's helmet. He doesn't speak very clearly, so you can't hear some of the words properly. Complete the missing words. The phonetic transcription in brackets gives you an idea what the words or part of the words sounded like.*

“Good evening. Today I’m going to present my latest (1) \_\_\_\_\_  
 [...venʃn] – an idea that has (2) \_\_\_\_\_ [...trveɪtɪd] me for many  
 months. I call it ‘the smoker’s helmet’! The idea (3) \_\_\_\_\_ [...kɜ:d] to  
 me in a restaurant. I saw that people were smoking outside (4) \_\_\_\_\_  
 [...ɪns] smoking in cafés and restaurants isn’t allowed anymore. That’s  
 (5) \_\_\_\_\_ ['rɑ:ðə] uncomfortable, especially in winter. However, protecting people from  
 smoke is of great (6) \_\_\_\_\_ [...ɔ:təns]. Well, my smoker’s helmet (7) \_\_\_\_\_  
 [eɪmz] to solve exactly that problem and offers a good practical (8) \_\_\_\_\_ [...u:ʃn]. Now, I  
 (9) \_\_\_\_\_ [...ə'spekt] you want to see how that works, so just let me turn on the OHP.  
 As you can see, the smoker’s helmet is (10) \_\_\_\_\_ [...'vɑ:ɪd] with a small air pump,  
 which is attached to the back of the helmet and is (11) \_\_\_\_\_ [...aʊəd] by a normal battery.  
 There’s a (12) \_\_\_\_\_ [θɪn] plastic hose which goes from that pump to your nose. It  
 (13) \_\_\_\_\_ [...'zɔ:bz] all the smoke and (14) \_\_\_\_\_ [stɔ:z] it in a special bag,  
 which you can easily wear on your back or hide under your jacket. But that’s by no (15) \_\_\_\_\_  
 [...i:nz] the only advantage: the bag can (16) \_\_\_\_\_ [...'vɜ:t] the smoke into fresh air, so  
 wearing the helmet will turn you into a ‘zero (17) \_\_\_\_\_ [r'mɪʃn] smoker’!  
 The smoker’s helmet will come in all kinds of modern shapes and (18) \_\_\_\_\_ [...ɔ:mz].  
 The (19) \_\_\_\_\_ [r'nɪʃl] price won’t be too high, so people will surely be able to  
 (20) \_\_\_\_\_ [...ɔ:d] it. And using the helmet will (21) \_\_\_\_\_ [...ædʒʊəli]  
 become normal, just like taking an (22) \_\_\_\_\_ [...elə] when it’s raining! OK, now has  
 anybody got any questions?”
